

# Steel Multi Purpose Drum Lid Tool Silver

## MODEL DRUM-PLB

Drum Handling Equipment / Drum Lid Tool

### PRODUCT OVERVIEW

Finally an answer for opening those stubborn lids! Multi-purpose design for use with removable head steel drums. A special hook is used for breaking open-lid seals, and long handle provides adequate torque for easy operation. Integral wrench for use with removable ring bolt and nut. Slotted end used to close drum ring lever lock. Steel construction with powder coat silver finish.

### KEY FEATURES

- Hook included for opening lid seals
- Long handle provides added torque
- Built in wrench for removal of ring bolt and nut
- Slotted end for closing drum ring lever lock
