

# Steel Roll Fork Attachment For VHPS Models Black

**MODEL VHPS-NM-AA-RFK**

Ergonomic Solutions / Manual & Electric Stackers

## PRODUCT OVERVIEW

A roll fork is a wonderful accessory to the narrow mast manual stacker. With a resilient design, the fork provides a more resourceful way to handle rolls. When the fork is in place and the roll is secured, the user is able to maneuver heavy rolls efficiently to the desired location.

## KEY FEATURES

- Smooth finish minimizes abrasions
- Design length enables use with a variety of sizes
- Simply attached
- Robust steel construction
